Agency ELINT Training Program

1. Attached is the approval of the ELINT program by General Cabell. Note he directs, "Should either slots or additional funds be required, specific requests by components should be submitted." The Executive Officer and Personnel Officer have been made aware of the personnel and fund requirements. The Agency ELINT Committee would like to be advised of the action taken by the individual components prior to 12 May.

2. [] tells me OSI has an instructor on board. Chuck also says OSI now has some electronics and laboratory equipment that was in use earlier which is now available for training purposes. Chuck and I talked in terms of starting actual classes in the fall, after the summer vacations, etc.

3. You will find Mr. Bissell's comments particularly interesting.
